			<u>Comments:</u>		
<u>Packer Bulls</u>					
High Yield:	115-130	CWT			
Low Yield:	NT	CWT			

The cattle market has taken a hit along with the stock market and the futures market. The people who are suppose to know say we've had a "correction". Whatever it was it is tough on the cattle producer. As of Tuesday afternoon the markets were up some, but not enough to make up what they lost last week and this week. I hope we have some improvement the rest of the week. If you have cattle to sell give us a call!
