We had an active market that was all over the board. It's really hard to guess where the market is going. We have a lot of unrest in the world and it has an effect on the markets of all kinds. We are having a weaned calf special on February 4th. We'll have several that have been weaned but will also have several that are not weaned. I hope by then we've seen the bottom of the market and are headed up! If you have cattle to sell, give us a call!
