**COMMENTS:**

*The cattle on feed report that came out Friday has turned the market lower since the placements came in at 118% after they were projected at 108%. There have also been questions about the new trade deals that Washington wants to put in place and how it might affect exports. Thank you to all of the buyers and sellers today who helped us have a good sale. Let's hope this market makes a quick correction as we head into Spring.*

**\* THE PRICES QUOTED ARE FOR # 1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY, KIND AND FILL.**
