COMMENTS:

We closed out 2016 on a strong market with another good set of calves. After feedlots and packers struggled to find common ground last week to market many fat calves, the market on stocker and feeder calves remained strong again this week. After the market finally found a bottom in October, we have seen the prices get stronger every week. Hopefully this trend will continue as we start off the New Year. Today was our last regular cattle sale of the year. We hope everyone has a Merry Christmas and we look forward to seeing everyone at our next regular cattle sale on January 3rd. Don't forget about our Corrientes for Christmas sale coming up this Saturday. There will be about 200 pair, 200 bred cows and 125+ ropers and potentials. THANK YOU to all the people who supported us by buying and selling with us in 2016! Bring on the New Year!

*** THE PRICES QUOTED ARE FOR # 1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY, KIND AND FILL.**
