Comments:

Today's sale was the last of the year and cattle sold on a mostly steady market. Demand for heifers was a little sticky, but remained strong on all other classes of cattle. Packer cows are still struggling, but may pick up after the first of the year as sale barns are now shut down for two weeks. Our next cattle sale will be January 9th and we look forward to doing business with you all in 2018. The crew here at the Hamilton Commission Company wants to thank each and every one of our consignors for believing in us to market your livestock. A big thanks also goes out to all the buyers who come week after week to help keep our market strong.
Merry Christmas and Happy Holidays to you all!

***THE PRICES QUOTED ARE FOR #1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY , KIND AND FILL.**
