Comments:

Today's market featured good demand and steady prices for calves/yearlings while the packer market was \$5 softer. The short supply of packers we had after Thanksgiving is gone now as packing houses are full of cows again which is translating into lower prices.

Remember we only have two sales left in 2017 and the market appears to be strong to stable. Let us know how we can help market your livestock!

***THE PRICES QUOTED ARE FOR #1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY , KIND AND FILL.**
