| COMMENTS: | | | | | |

Today's Sale featured several nice sets of calves and weaned yearlings that sold on a mostly steady market. Let's hope the rain continues this week and opens up even more avenues to market our livestock. Fat cattle sold \$4-\$5 higher last week which has positively impacted the market for stocker and feeder calves. Next week, weather permitting, we have about 100 yearlings, mostly steers, consigned as well as 25 Brangus calves coming from the Sonora area. Thank You to all of our sellers and buyers alike for supporting us today. We look forward to a good sale next week
