Packer Bulls					
High Yield:	82-87	CWT			
Low Yield:	72-81	CWT			

COMMENTS:

Calf prices picked up again this week as most #1 calves sold \$5-\$10 higher. If you have any calves ready to sell in the near future, the next 2-3 weeks are looking like it might be a good time to take advantage of this market. Next week we will have several cows off of one ranch coming if any of you are looking for some cows to turn out. These should range from bred heifers to older cows and be mostly black. Come see us next week!

*** THE PRICES QUOTED ARE FOR # 1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY, KIND AND FILL.**
