<u>PACKER BULLS</u>					
High Yield:	NT	CWT			
Low Yield:	65-80	CWT			
<u>COMMENTS:</u>					

We may have already seen the Spring rally for calf prices. The futures board is down to \$110 in later months which is putting stress on a Feeder Board that is already struggling to keep up with the previous month's placements. The next few weeks may be a good time to sell any cows to take advantage of the current market.
