Low Yield:	66-71	CWT	Bred Cows:	Steady	
<u>Packer Bulls</u>					
High Yield:	101-121	CWT			
Low Yield:	NT	CWT			

We had another up market today on a fairly short run. There was several cows that were short to broke mouth and open. They went to the same packer on a steady market. Bred cows and pairs went back to the country. The calf market seems to be firming up at least on the lighter calves. With the rain we've received last weekend will turn the pastures green for sure! If you have cattle to sell give us a call!
