COMMENTS:

Even though the market has been struggling on paper with the futures market falling off since last week, you couldn't tell it with the feeder/stocker calves that sold today. Today's market was Steady to \$10 Higher on most classes of calves. We would like to thank all of the buyers and sellers that made our market today. The market seems to be holding on right now with strong demand from the buyers. If you have any cattle that are ready to market, we would love to help you out!

*** THE PRICES QUOTED ARE FOR # 1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY, KIND AND FILL.**
