We had a steady market on 131 head. Everyone should have received a good rain and maybe have some more to come towards the end of the week. Next week we will have 36 head of Brangus cows - some pairs, some are bred. They will be aged, preg checked and sorted up in to groups. These cows just need some grass and time to gain weight and they will make you some money! If you have cattle to sell, give us a call!
