<u>Packer Bulls</u>					
High Yield:	85-90	CWT			
Low Yield:	75-84	CWT			

COMMENTS:

The market has seen a nice rally in the last week. Due to improved demand, higher boxed beef prices and a weaker dollar, the futures board has improved daily. The rain has been nice which should help the stocker cow market as we head into summer with a better promise of grass. Seasonally, the market takes a hit as we get further into June, so the next week or two might be a good time to market any livestock.

*** THE PRICES QUOTED ARE FOR # 1 FEEDER STEERS AND HEIFERS. PRICES ADJUST DOWN ACCORDING TO QUALITY, KIND AND FILL.**
