Low Yield:	92-97	CWT			
			Comments:		
<u>Packer Bulls</u>					
High Yield:	NT	CWT			
Low Yield:	132-135	CWT			

Our market was \$2-\$5 lower on 154 hd. We had good buyer attendance and the market was active. The market is trending lower as it usually does in the hot summer time. We may not see a rally until the early fall when the buyers start putting grazing cattle together for the fall and winter. We will have a good set of young bred cows and pairs next week. If you have cattle to sell give us a call.
