Low Yield:	95-101	CWT			
			Comments:		
<u>Packer Bulls</u>					
High Yield:	NT	CWT			
Low Yield:	115-128	CWT			

Our market was steady on 109 head. This market has taken a down turn in the last 3 weeks and it could go lower. I read 2-3 market reports a week and go to 3-4 auction sales a week and it is evident that cattle are cheaper from top to bottom. Lighter calves seem to be holding up better and bull calves that are fleshy are considerably cheaper. If you have cattle to sell give us a call.
