			<u>Comments:</u>		
<u>Packer Bulls</u>					
High Yield:	128-137	CWT			
Low Yield:	NT	CWT			

Everytime I think I have the market figured out it goes the other way. For the last 3 weeks everyone was predicting the market to be down until fall. Well it is not fall and our market has made a rebound! We had an active market with good demand. I guess its a good time to sell as any. If you have cattle to sell give us a call!
