

HAMILTON COMMISSION COMPANY
Roping Cattle Sale
FRIDAY & SATURDAY, NOVEMBER 19TH & 20TH, 2021
MARKET REPORT

2,947 HEAD
128 CONSIGNERS
120 ACTIVE BUYERS

Our last special sale of 2021 ended with our November Roping Cattle Sale and all things considered, it went down without a hitch! Both Friday's and Saturday's sales featured about 1200 hd and sale prices are represented below. As always, the cow sale on Friday featured several sets of bred cows with the trend still showing the most demand for solid colored, younger Corriente cows. The spread between cows bred to beef bulls and cows bred to Corriente bulls continues to narrow as speculation for a stronger market on a tighter supply of available ropers going forward is gaining traction in a sport that is showing no signs of slowing down. The dry conditions going into winter didn't exactly help the market for pairs and heavy bred cows, but all classes of cattle still sold at a good premium. Saturday's sale showed a similar trend with the highest demand for healthy Corriente potentials that will be ready to rope this coming spring/summer. As to be expected in a November sale, fresh Corriente calves carrying more flesh to get through the winter months outsold thinner calves, plainer calves and Longhorns.

We would like to thank all our buyers and sellers for supporting us through another year of our Roping Cattle Sales and look forward to doing business with you all in 2022. Looking forward into next year, experts looking at both the market's fundamentals and the simple economics of the beef industry are calling for stronger prices going forward. We hope you will come join us for the ride! Our first sale of 2022 will be February 4th and 5th. Don't forget to call in your consignments.
