MARKET REPORT

1,105 HEAD
52 CONSIGNERS
90 ACTIVE BUYERS

The market for Hamilton Commission Company's February Roping Cattle Sale was very refreshing featuring stronger prices on impressive demand. Even with continued drought conditions over the Southern U.S., many buyers are looking ahead to this Spring/Summer where offerings will be made up of shorter numbers and a tighter supply. Combine this with a sport that is still growing and prices are finally looking better for cow/calf and stocker operators throughout this year and beyond. Any kind of moisture received this Spring will fuel the market even more as producers look to restock. Our next Roping Cattle Sale will be April 7th & 8th and books are open now to take in consignments. As always, we have enjoyed working for our sellers and our buyers and look forward to continuing to work hard for you in the future.
