Roping Cattle Sale

FRIDAY & SATURDAY, FEBRUARY 5TH & 6TH
MARKET REPORT

2,233 HEAD
121 CONSIGNORS

No doubt about it, our first February sale was a huge success. Friday's sale featured some of the best Corriente cows we have ever had the privilege to offer. We had 200 cows bred to or with calves out of Semi-Angus bulls that were nothing short of amazing. There was extreme demand all day long on good-aged cows bred both to Corriente & Beef bulls. Saturday's sale featured all the fresh potentials and ropers. There were several more potentials than sure-enough ready to rope cattle, but the market was strong on both classes. It still looks like we are not going to have as many Corriente calves to offer through the spring and summer and prices look like they could gain momentum going into roping season. Our next Roping Cattle Sale will be on April 2nd & 3rd, and we look forward to another strong market and good offering. Call now to get your cattle consigned for the first weekend in April. (254) 206-6444 Thank you to everyone for making our first February Roping Cattle Sale a huge success!
