

HAMILTON COMMISSION COMPANY

Roping Cattle Sale

FRIDAY & SATURDAY, APRIL 1ST & 2ND
MARKET REPORT

2,626 HEAD
85 CONSIGNERS
95 ACTIVE BUYERS

Hamilton Commission Company was excited to have another Roping Cattle Sale last weekend to help our loyal producers market their roping stock to our trusted buyers. Spring is here, but the green grass we are accustomed to seeing this time of year is not which has caused a real challenge for rancher and stocker operators. Even with the persistent drought lingering across the Southern US, prices were surprisingly stronger than most had expected.

Stocker cows/pairs were a little softer compared to our February sale, but thanks to several out of state buyers, demand was strong throughout the sale. Hopefully we will soon see some beneficial rain across the South giving range conditions a boost in time for our June Roping Cattle Sale.

A big thank you to all our consignors for bringing in a tremendous set of ropers/potentials for Saturday's sale. The market on ready to rope steers/heifers was extremely strong from start to finish. The market on potentials was a little sluggish from depleted range conditions and higher feed costs associated with buying calves 4-8 months away from being ready to rope.

All in all, we were privileged to market this offering of livestock last weekend and we are looking forward to our next sale on June 3rd & 4th. Consignments are already coming in so be sure to call your in before we fill up. Pray for rain!!
