September's Roping Cattle Sale at the Hamilton Commission Company is all wrapped up and what a sale it was! This sale featured 961 cows on Friday and 830 fresh ropers & potentials on Saturday.

Friday's sale started off hot with several really good sets of cow/calf pairs and bred. Even though the drought conditions are across most of the South, demand for these Corriente cattle was fierce all day long. Saturday's sale picked up right where the cow sale left off as ropers sold on a higher market with incredible demand. Just since our last sale in June, ropers and potentials sold for \$50-\$100 higher while many of the cows sold from \$100-\$200 higher!

Thank you to all our buyers who participated and for all our sellers for calling early to consign their cattle. WE APPRECIATE YOU! Our next sale will be November 19th & 20th and again will be consignment only. Books are open now so feel free to call in your cattle! 254/206-6444
