

HAMILTON COMMISSION COMPANY
Roping Cattle Sale
FRIDAY & SATURDAY, SEPTEMBER 25TH & 26TH
MARKET REPORT

1,858 HEAD 132 CONSIGNORS

Wow! What a fun Fall sale we had! As was the case in June, again our Friday Cow Sale was bigger than our Saturday's Roper & Potential Sale. It looks like all the beef bulls being put on these Corriente cows has finally caught up with the supply of ropers, creating more demand. Saturday's sale featured ropers that sold for \$50-\$100/head higher all day long than compared to our June sale. These ropers look to be in tighter supply and demand for them is heating up. The cow sale on Friday was mostly steady, especially on cows bred to beef bulls. Going forward, prices on cows bred to Corriente bulls should improve as roper prices increase. As always, solid colored, good aged Corriente cows had the most demand.

Keep in mind, we will have one more Roping Cattle Sale this year on November 13th & 14th. Be sure to call in your consignments. As always, we want to thank everyone for making this sale a success! We look forward to doing business with you in the future and are ready to see everyone back here in November.
