ROPING CATTLE SALE

FRIDAY & SATURDAY, SEPTEMBER 29TH & 30TH

MARKET REPORT

2,406 HEAD
115 CONSIGNERS
96 ACTIVE BUYERS

This roping cattle sale featured plenty of good cattle for both days. Bred cows and pairs with Corriente calves sold steady when compared to the June sale while bred cows and pairs with beef calves sold stronger. Cattle inventory nation wide is at historic lows and calf prices look to be strong until the numbers are corrected.

Saturday's market remained hot with plenty of demand all day long, especially on the #1 steers and heifers. We would like to thank everyone for contributing to this sale, both buyers and sellers and we look forward to seeing everyone in November for our last Roping Cattle Sale of the year!
